Biography

Webster Nyakangoma is responsible for Absolom and Shepherd Attorneys' client care and hospitality. His role within the firm is to ensure that the client's experience within our office is nothing short of excellent. His role stems from the firm's realization that legal problems are best solved in an enabling, pristine and reliable environment. Webster's department therefore ensures that our clients' varying needs are catered for during their in person visits to the firm. Webster has keen organizational skills and apt knowledge of safety guidelines for health and safety at the workplace.
